

Allfavor Technology

"Service Beyond Expectation"

Worldwide PCB Solution

Allfavor was established in 2005 and is a professional Printed Circuit Board (PCB) Manufacturer headquartered in Nanjing, China with three manufacturing sites located in Shenzhen, Nanjing and Zhuhai, China.

We preserve our position in the market of high mix, low to medium volume by maintaining a very high quality product with a very quick to market delivery. The notion of "Quality and Speed" are echoed throughout the company's management and employee daily activities.

"Service Beyond Expectation" is our persistent customer service philosophy.

The highest quality with a fast on time delivery at an extremely competitive price is our advantage over the competition.

Printed Circuit Boards for Industrial, Automotive, Medical, Aerospace, Communication, Lighting and Food Service Industries

Capabilities:

- Rigid PCBs, 2 to 14 Layers
- Flex and Flex/Rigid PCBs
- RF/HF Using Rogers, Arlon and Taconic Materials
- Metal Clad (Al Based and Copper Based)
- Heavy Copper (2-6 ounces)

Surface Finish:

- HASL
- Lead Free HASL
- ENIG
- Immersion Tin
- Immersion Silver
- OSP
- Plating Tin
- Carbon Ink
- Hard Gold

Quality Control:

- AOI Inspection
- 100% Electrically Tested
- Impedance Test
- Inductance Test
- Metallographic Microscopic Analysis

- Plating Thickness Testing
- Thermal Stress Testing
- Ionic Contamination Testing
- DVW Test

- Plating Adhesion Testing
- Bond Strength Testing
- Surface Peelable Testing
- Final Finish Thickness Testing

Lead Time:

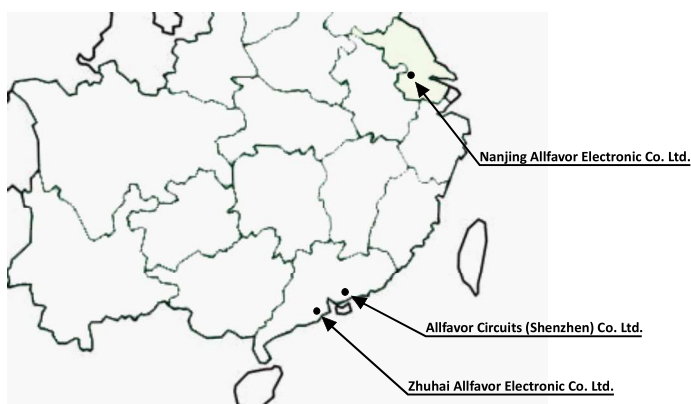

- Proto Types: 3-5 Days + Shipping
- Small Production: 7-10 Days + Shipping
- Production: 10-15 Days + Shipping

Engineering:

- Currently 50+ Engineers On Staff
- Minimum of 5-10 Experience Each
- Utilizing the Following Software:
 - Genesis 2000
 - Cam350
 - Protel

Value Added Services:

- Split Shipments
- Stocking Programs, Stocked in the USA
- Consignment Programs
- Engineering Services

Locations:

Allfavor Circuits (Shenzhen) Co. Ltd.: Rigid PCBs, Proto Types/Small Production
Nanjing Allfavor Electronic Co. Ltd.: Rigid PCBs, High Mix/Medium to High Volume Production
Zhuhai Allfavor Electronic Co. Ltd.: Flex and Flex/Rigid PCBs, All Volume Production
